- **Easy on your budget:** Super-concentrated cleaners save trips to the grocery store, the landfill and just plain last longer.
- **100% guaranteed.** Use it, don't like it? Get your money back in your pocket. In fact, we'll even let you keep the product. Painless.
- **Earning cash for the school.** All profits from the sales of GET CLEAN products go straight back to the school during the school year.
- **Shaklee** has been producing products in Harmony with nature for **50 years!**

*If you could redirect some of the money you are currently spending and remove some of these potentially toxic chemicals from your home **and our school would benefit from it** – would you?*

You're buying this stuff anyway, right? Ordering options...

- *During the month of November* you may e-mail your order to me at **sa4thelord@yahoo.com**, or call **989-561-5390**. **Shaklee will deliver your order to your door!** It's like going to the grocery store, but easier (and none of those weird smells from that cleaning aisle either).
- **After November**, you may **also** order at www.shaklee.net/skeeterandalisha.
- You'll see the price listed after the product name and you'll also **see exactly how much money our school is earning** from your purchases on the price list.
- You also have the option of becoming a member which allows you to buy the products 15% off retail; however, the school would only be making 16% compared to 33%.
